

Additional Services Release

Practicum Student Services

Logos is a teaching facility. We partner with local colleges and universities to train practicum students/interns in the therapeutic process. Logos students may be assigned a practicum student to work on their therapeutic and behavioral goals. They will be an additional support to the therapeutic staff.

Transition Services

Logos believes by guiding students in exploring and planning for life after high school increases their hope for the future and will lead to a more successful transition from adolescence to adulthood. We ask your permission and input in helping your student assess their interests, abilities and explore all possibilities. Some of the services we provide include, but are not limited to:

- ❖ I acknowledge that my student will receive the additional services listed above.
- ❖ I do hereby seek and consent to take part in the treatment by Logos therapeutic and transitional staff. I understand that developing a treatment plan with Logos' therapists/transition staff and regularly reviewing our work toward meeting the treatment and transition goals are in my student's best interest. I agree to play an active role in this process.
- ❖ I understand that no promises have been made to me as to the results of treatment/transition or of any services provided by Logos therapists and transitional staff.

My signature below shows that I understand and agree with all of these statements.
