

St Bernard Academy
HSA October Meeting
October 17, 2019
Cafeteria

In Attendance:

Daniele LaFreniere	Colleen Mooy
Jessica Frost	Whitney Hegedus
Cristin Coster	Kelly Barrett
Teresa Eillis	

Welcome: The meeting was called to order by Daniele at 8am.

Officer's Updates:

Treasurer:

Board Approved \$3000 increase for fall fair budget. More people are attending and there was a want and need to improve food.

Trivia Night budget was doubled to accommodate Fall and Spring.

8th grade reception budget was increased from \$500 to \$1500-\$2000

Budget: Healthy

Chaplain:

Women's Bible Study Group led by Margy Gallassinini.
Dates TBD

Committee & Event Updates:

Fall Fair – Vendors are booked. Last Year cap for families was \$40. It was discussed that we need to up the cap to \$50 and \$10 per person. The reason price needed to increase was to accommodate a new food menu. We need numbers so that Hattie B's can plan for how much chicken is needed. Paypal link will be sent out so families can pay in advance. Also, there will be a sign-up genius for the event.

Auction- Official Chair will be Corinne Schaffer. Co-Chair will be Lena Levendoski. This year it will be held at Noah Liff Opera Center. Date changed to April 25th. The theme will be 20's to go with the year 2020.

Junior High Night- Theme is movie night. The date is November 9, 2020.

Parent Trivia Night- Date is November 16, 2020. More details to come. Concerns were raised about the trivia host. Some felt he was condescending.

Parent Education- Leonard Sax will be here November 5th at 6pm. Childcare with pizza will be free to all SBA families. There was a discussion on how to get more families to attend speakers. We could try for later times so more parents have time after work, but then there will be no childcare. Colleen Mooy made a suggestion of offering homework passes to the children whose parents attend. Another idea

was a grade level sponsor for each event. The book club next month will be “unselfie” held at Janelle Kramer’s home.

Swap and Shop- Volunteers needed!

Earth Day Committee- The committee will be meeting with Mr. Sabo next week.

The goal of this committee is to improve environmental impact at school. Water bottle filling stations, composting etc.

Faculty Christmas Luncheon- Jamaica Zralek is heading this. Increased budget proposed to give the faculty an amazing lunch. They have been using the same restaurant for years and the committee wants to change things up.

Old Business:

Shop & Earn- Publix, Amazon. Paper box tops are due next week, after that you can only scan your receipt to earn points.

New Business:

Laura Webb has come up with a new event planning form for the school. If you are planning an event you need to fill out this form and turn it into her. The reasoning for this is so school and HSA are on the same page. In the past we have had events at school double booked.

Gift to School

HSA gifted SBA \$35,000. Daniele is following up with Mr. Sabo on where the funds are going. He was talking about blood kits in each classroom. The blood kits are part of a Diocese effort to put them in all schools.

Announcements:

Adjournment: 9:03 AM

Report done by: Cristin Coster, HAS Secretary 2019-2020
