

Santa Barbara School District Child Development School Age Program Activity on Campus Permission Form

Dear Parent,

At your request, your child will be allowed to participate in an activity on the school campus during the time s/he is enrolled in the Child Development School Age Program. Please note that your child will be allowed to leave to participate in an activity:

- ♥ **only if we have a signed permission form** filled out by you, before the activity begins.
- ♥ Your child must first check in with the Child Development teacher each day the activity is offered. If the child does not check-in, a **Failure to Notify** form will be issued.
- ♥ **This form does not include any activities off of the campus**, such as sports or other classes. Once your child is checked out by a person on your emergency card, the child may not return to the program. The only exception to this would be a summer school program set up by the school district.

I give permission for my child to participate in the following on campus activity:

Child's name _____

Name of Activity: _____

Location of the Activity: _____

Day(s) of the Week: _____ Time _____

Dates of Activity/Weeks: _____

Signature of Parent: _____

Date: _____

Revised 4/1/0/08
