

Public Notice of Stormwater Management Plan

West Bloomfield School District has developed a Stormwater Management Plan (SWMP) to reduce the discharge of pollutants from their MS4 to the Maximum Extent Practicable and protect water quality in accordance with the appropriate water quality requirements of Michigan Act 451, Public Acts of 1994, Part 31, and the Federal Water Pollution Control Act and the district National Pollutant Discharge Elimination Permit (NPDES).

A copy of the Stormwater Management Plan (SWMP) is available for review on the district stormwater management webpages.

Any questions or comments on the SWMP should be directed to the Operations & Maintenance Supervisor:

1. By Form: Visit the district webpage <http:wbsd.org>, Storm Water Management, Stormwater Management Website Portal, “Why worry about Stormwater”, select Form.
