- Accountability in ASB:
 - Publishing his own voting record - why he voted which way for what - like asb stuff
 - Lynbrook - because you're in ASB its your job to remain neutral publicly; don't want to have miscommunications; don't come off aggressive or non-aggressive
 - Transparency
 - Creates an image of dis cohesion
 - If you're trying to increase unity then its not okay
 - Fremont - everything is ASB; sign everything as ASB class; it wasn't half the class said this and half the class said that; ASB came to the consensus that this might be the best for the whole school and everyone is accepting of that; it was a whole class discussion; if the student wants to promote transparency its not the way to go
 - HOMESTEAD - student council meetings; posts meeting minutes on the school website; a lot of students aren't enthusiastic about seeing stuff?
 - LYNBROOK - we are transparent if you are wanting to
 - MONTHLY UPDATE VIDEOS

HOMESTEAD:

- Club + Grub – how do you do it?
 1. Send out a form to all clubs ask them what their top 3 food choices are
 2. Assign a food choice to each club
 3. Create a map with a lot of labeled tables and assign each club to a table
 4. On the day of, the clubs will set up the table and sell their food

Do more with Friendship City - Online Exchange - Online Conference - One class period or something
