Dear Riverside Families,

As the chance of inclement weather quickly approaches, we are sharing the following information as it relates to your child's transportation services.

Below are the bus routes RSCO Transportation manages for Riverside Magnet School. If you have any questions or concerns, it is important to communicate those concerns with the RSCO transportation directly at (860) 524-4077.

Please see the list of busses below and identify the bus your child currently rides. **IF** one of the towns is associated with your child's bus, it is important to note that the entire bus route will be affected. **IF one of the towns has a delayed opening or an early dismissal, the entire bus route will follow that town's schedule.** (Example, if Windsor Locks is delayed or has an early dismissal, Windsor and the north end of Hartford would follow that schedule).

**IF** your resident town is closed, transportation is not provided. However, if Riverside is open, you may elect to transport your child to/from school.

We highly recommend that you sign-up to receive text alerts for all towns that share the same bus with your child, via the local television stations (WFSB, WVIT, FOX, WTNH).
