

Personalized Flex-Learning Days

Prior Lake-Savage Area Schools (PLSAS) is excited to offer Personalized Flex-Learning Days to provide an opportunity for students to learn from home when our schools close due to weather.

Our first inclement weather day of the school year will NOT be a Personalized Flex-Learning Day. The first school cancellation due to weather will remain a traditional cancellation as in the past. Should there be a second inclement weather day this school year, a Personalized Flex-Learning Day will be called.

How Personalized Flex-Learning Days Work

- Personalized Flex-Learning Days will be communicated through email, phone, website, social media and local TV stations
- Teachers will communicate with students and families through Seesaw (gr. K-5) and Schoology (gr. 6-12)
- Curriculum-aligned activities will be posted for students to access either through district assigned devices or student/families' personal devices/technology
- For students who do not have electronic access, a pre-assigned activity will be given prior to the weather event to complete on paper

Staff Expectations

- Staff will provide guidance and feedback on class work through Seesaw and Schoology
- Teachers will also be accessible by district communication tools during regular school hours
- If a staff member is not available during Personalized Flex-Learning Days due to illness or a personal day, the teacher will communicate with the student/family within 24 hours of their return to work

Student expectations

- All students will have up to 5 days to turn in assignments, receive credit and verify attendance (provisions will be made for students with IEPs or 504 plans)
- Parents/guardians will be asked to provide a note to the school in order for an absence to be considered excused

Feedback

- PLSAS will provide an opportunity for staff, students and parents to provide feedback should a Personalized Flex-Learning Day be called during the 2019-20 school year

If you have questions or comments about Personalized Flex-Learning Days, please contact your building Principal.
