

CLUBS	ADVISOR	MEETING DATE	DESCRIPTION
Aerospace Club	Alice Rick	Every other Tuesday at lunch in B107	At HHS Aerospace, we are dedicated to exploring the science behind all things that fall, fly and anything in between.
American Sign Language	Angie Esswein	Every other Friday at lunch in A210	We're a club dedicated to teaching people about American Sign Language and Deaf culture. We teach new signs at each meeting and we also have various volunteer activities and socials for our club.
Animal Welfare Club	Megan Rupe	Friday at Lunch in C104	Do you care about animals? Animal Welfare club is all about spreading awareness and volunteering with animals. We also do fun animal-related activities at our meetings, such as making pet toys for animals in shelters. We hope to see you at our meetings!
Art Club / NAHS	Katie Schiltz	Every other Friday at lunch in I9	Art Club & NAHS (National Art Honor Society) is a fun, tight knit community that blends art with community service. We frequently paint posters for other clubs and are currently working on a mural for Homestead's campus. Additionally, we teach simple arts and crafts to elementary students, along with so much more! No skills required, just a passion for art and helping our community!
Badminton Club	Sam Fung	Thursday Brunch in S4	Badminton Club is for everyone, from badminton enthusiasts to people who want to learn how to play. During our meetings, we not only have updates on tryouts, but also play fun trivia and announce badminton events. We plan socials at badminton gyms, a local tournament, and more to help you improve your badminton skills. Join us this year to meet new people who also share a passion for badminton!

Black Student Union	Lela Milirides and Kelly DiNucci	Every other Thursday at lunch in B208	Homestead's Black Student Union is a place to recognize black heritage on campus and allow us the opportunity to learn how to coordinate activities and community service efforts. Constructive community building is a valuable skill, but must be learned like any other through practice. We will educate ourselves on how both our differences and commonalities contribute to our unique perspective on campus and general lifestyles. This would allow us to form empowering social bonds.
California Scholarship Federation	Jessica Buffum	P4, Wednesday brunch	CSF is a state-wide volunteering club that recognizes student academic achievement and community involvement. Completing a minimum of 5 hours per semester, members attend volunteering events in the community. Some examples of events include arts and crafts activities in senior homes, walk-a-thons and gardening cleanups.
Chess Club	Gary Auten	Every Tuesday and Thursday at lunch in A204	Chess Clubs provides a place for students to learn new chess strategies, practice playing, and attend tournaments.
Comic Club	Tyler Cripe	Monday at lunch in I7	The Comic Club is a group dedicated to bringing together people who love comics, animations, and other graphic-styled media. Group members can engage in a multitude of fun art related events and activities, including but not limited to animation projects, comic making, and potentially even comic conventions. No matter what skill level, everyone has the potential to improve!
Cubing Club	Matthew Guevara	Every Thursday lunch in B102	The cubing club is centered around the hobby speedcubing. Speedcubing is the act of solving Rubik's cube like puzzles as fast as one can. Our club's purpose is to help cubers become faster, and to teach anyone how to solve the 3x3.

Design It	Edmond Kwong	Meetings: every other Thursday lunch in Mr. Kwong's room Workshops: the other set of Thursdays, after 7th period in Mr. Kwong's room	HHS Design It provides students with an opportunity to learn graphic design through club meetings, workshops, business tours, guest speakers, and many other events. Design It aims to teach students about digital design (Adobe Illustrator, Canva, etc) and help other school clubs and outside organizations/businesses by designing commissions for promotional materials. People of all experience levels are welcome to join!
Drama Club/ITS	Leslie Lloyd	Friday at Lunch in the Auditorium	We as the drama club create a space where those interested in the theatrical arts can come together and put together performances to share our talents and love of theatre with the Homestead community. We hold events such as One Acts and Improv Nights, and other socials and activities pertaining to theatre. We hope to create a space for all those who are interested in the art to spend time together and perform where all can feel safe and welcomed.
Economics Club	Christy Heaton	Wednesday at lunch in B205	Economics Club aims to expand the understanding of economics through virtual simulations, hands-on activities, economics class tutoring, and the National Economics Challenge. We invite everyone to join us no matter what economics knowledge they currently have.
Engineering Club	Alice Rick	Every other Wednesday at lunch in B107	We are a community of dedicated students preparing ourselves for a career in engineering by exploring engineering concepts, performing demonstrations, and visiting companies.
Esports Club	Mr. Eastland	Every Monday and other Tuesday at lunch in B108	Gaming is an important part of our culture nowadays. Practice and develop your gaming skills in eSports club and compete within and outside our school.

FBLA	Byron Lee	Every other wednesday at lunch in I2	FBLA is the largest student run business organization in the world, and it aims to bridge business and education together. FBLA gives you the opportunity to participate in competitions on the state and national scale, as well as attend fun events such as business tours. Come to our meetings at lunch in I2 every other Wednesday!
Footprints Christian Club	Sam Fung	Friday at lunch in S4	We are a group of people who want to share the love of Jesus with our peers at Homestead. Our doors are always open, anyone that is willing to listen is welcome.
French Club / FNHS	Mme. Von Stein	Wednesday lunch once a month in L104	Our members get the chance to learn more about French culture and the French language. We host a variety of events related to French food, cinema, music, and more! Through French National Honor Society, members also have the opportunity to attend French related volunteer events around the community.
Frontier	Mary Jo Gunderson	Every Tuesday at lunch in A207	Frontier is the student-run art and literary publication at Homestead, passionate about spreading creativity throughout the community. We publish 5 themed issues a year online and in print containing submissions from students. We also hold socials, art and writing workshops, and the annual school wide writing contest!
Fwd:Love	Randy Berner	Every 3rd Thursday of the month at brunch in room TBD	Fwd: Love thrives brighten the atmosphere of Homestead through our acts of kindness. Above all else, our goal is to show love and kindness to others selflessly.

Green Ops	Jessica Wakefield	Every other Wednesday at Lunch at K3	We are the environmental service and sustainability club at Homestead. We participate in some really exciting events, such as regular clean-ups, climate change fairs, socials, etc. If you are interested in joining or have any questions, please contact us at <a href="mailto:hhsgreenops@gmail.com">hhsgreenops@gmail.com</a> !
HHS Future Physicians of America	Natalie Della Santina	Room S8 @ Lunch every other Friday	FPA is a science/medical oriented club with a goal to give students more exposure to the medical field. FPA provides guest speaker events, volunteering/internship opportunities, dissections, and hospital tours. No medical experience is necessary to join!
Homestead Cancer Society	Muriel Von-Stein	L104, lunch on every other Monday	Our club raises awareness for cancer! We have meetings where we either present and talk about a certain type or we have fun activities. By the end of the year, we donate a lot of the money we raised towards cancer patients and their families.
Homestead Cycling Club	Daniel Nunez	room c100 during lunch on Wednesdays	The homestead cycling club helps teach students how to maintain bikes, host rides and field trips to create a stronger cycling community at homestead. Ask any of our officers to help you if you have any bike troubles.
Homestead Fellowship of Christian Athletes	Sukhraj Sohal	S2, Every other Wednesday at lunch	Fellowship of Christian Athletes is a club that unites the passion of Christ and the passion of athletics. We strive to make meaningful friendships with student athletes while deepening others', as well as our, faith with Him. Although FCA's focus is athletes, we welcome everyone to our club with open arms.
Homestead Interact	Lisa Clausnitzer	B106	Homestead Interact is a service club sponsored by Rotary, a large international service organization. Club members are given the opportunity to attend a variety of service and leadership events, as well as meet people from around the Bay Area who are also Interact members.

Homestead LaunchX	Adrian McMahon	C200, lunch, every monday	Homestead LaunchX strives to enable students to begin their entrepreneurial journey while still in high school, by encouraging students to launch their own products and companies with the help of mentors and other professional guidance and resources.
Homestead National Honor Society	Erin Ronan	First Fridays, lunch, B206	Homestead National Honor Society is a community service club that recognizes and brings together students who show high achievement in scholarship, leadership and service. We strive to provide our members with valuable opportunities to give back to the local Bay Area community.
Homestead Red Cross Club	Susan Wilson	Monday Lunch, c210	The mission of Red Cross is to prevent and alleviate human suffering in the face of emergency through the power of volunteering. Not only do you have the chance to earn community hours, but you can also get trained in life-saving techniques such as CPR and disaster-specific safety and enjoy the opportunity to aid in a nationwide organization! Follow us @homesteadredcross for updates!
Homestead Studios	Me. Riley	Every other Friday at lunch in C211	In homestead studios we learn about the ins and outs of film making. For example we will learn about screen writing, makeup, stunts and much more. We will also watch movies and maybe even make a short film.
