The Mosaic Placement Committee weighs subjective data with objective measures of both ability and achievement. Please provide any available and current data for the selection committee to review. If not available, your child may need to complete additional assessments from Eden Prairie Schools. You can expect to be contacted if we require additional information. Below is a list of examples of ability and achievement data.

- Achievement test data, such as MAP/NWEA, Fastbridge, or other achievement assessment
- Ability test data, such as Cognitive Abilities Test or other
- Most recent report card
- Other information that supports your child's eligibility for the Mosaic Program

You may send in this data separately. Please note the due date of **January 24, 2020**.

Section 4: By checking the box below, you understand the following statement.

Additional Assessments: The selection committee weighs subjective data from teachers with objective measure of ability and achievement. By checking this box, you understand that additional individual assessments may be administered to your child to assist in determining how the educational needs of your child could best be served.
