GHS Teachers

Steven Swidler - GHS teacher, Carmen Lissett Guterrez -GPS teacher

BOE Member

Jennifer Dayton

BOE Administration:

Dr. Toni Jones

Dan Watson

Tom Bobkowski

Dr. Ann Carabillo

Ralph Mayo

TOG Administration:

Leslie Moriarty -BET

Kim Blank-RTM

1. Meeting Opening

The meeting was called to order at 7:00am.

Dr. Jones gave drawings out from K, G & D, talked about the fact that this is a concept from one architect

Discussed safety throughout the day, for entry of visitors and keeping the building secure. We will need to visit other schools and determine the best security for this building. The front patio has a lot of student traffic. Students are in and out all day

Impact resistant glass was discussed for both the entry way and the student center

Buses drop students off in front of the building, parents drop off in the back of building

In 3 years the current grade 6 students will be at GHS. It is the largest group of students to enter GHS. There will not be enough classrooms when they enter.

Discussed using ID badges for students. Use to track where students are, lunches, busing.

Visited the media center, tech support in media, study carrels, stacks and computer labs. The media center was originally the science wing and all classrooms. Do we want a learning commons, library, media? Thespace can be reconfigured. We would like to look at the renovations that the Greenwich

Public Library are doing.

We are developing an RFP for an architect.

2. Feasibility Group Discussion

3. Adjournment

The meeting was adjourned at 7:42am.

Respectfully submitted,

E. Ann Carabillo
