The Salisbury Fund

The Salisbury Fund directly supports every aspect of Salisbury's mission, and gifts to this fund are the easiest and most direct way to immediately benefit Salisbury. For those who would like to support a more specific priority within The Salisbury Fund, you may choose to direct your gift to Academics & Faculty Support, The Arts, Athletics, Campus Life, or Financial Aid.

2019-20 Salisbury Fund Goals

- Raise \$2.5 million
- Achieve 35% alumni participation

Beyond The Salisbury Fund, there are other ways to financially support the School, such as giving to an endowed fund, making a capital gift, or including Salisbury in your estate plans.

What happens when you give to the Salisbury Fund?

Your gift = more financial aid for talented students

Approximately 36% of students receive financial aid with an average grant of \$37,500. The Fund directly supports the Salisbury financial aid program.

You support our faculty and a challenging academic program

By giving to the Fund you are creating a partnership and demonstrating your support for our dedicated Salisbury faculty.

You build community on the Hilltop

The School's student body includes boys from 25 countries and 30 states. The Fund supports an admissions program that builds a diverse campus community with a global perspective.

You enrich Salisbury's special programs

Salisbury is known for its project-based learning, LEADS curriculum, and traditions of spirituality. Your gift to the Fund helps enhance these programs that foster collaborative and leadership skills.

You support a thriving arts curriculum

From building a boat to creating a short film, Salisbury boys' creativity is inspired by the top-notch arts courses we offer. The Fund supports the diversity of the art offerings and the talented arts faculty.

You support our Knights

There are 31 interscholastic teams and 13 intramural programs offered to Salisbury students. Every boy can experience being part of a team, the excitement of winning and the acceptance of defeat. The Fund supports our dedicated coaches, provides uniforms, facilities maintenance, transportation, and so much more for our Knights.

You help Salisbury boys reach beyond themselves

Salisbury boys participate in many community service projects and activities throughout the year that tie them into the local and global community.

Helpful Fundraising Tips

Asking for donations can seem intimidating at the beginning. Just remember – you and your classmates have common ground in your Salisbury experience.

Participating in The Salisbury Fund once a year is something we can all get behind as one of the most important factors in the continued success of Salisbury.

Rallying around an event like The Sarum Challenge in February can also be a great way to ask your classmates to join you in participating, since there is so much buzz around it already.

A few more tips:

- ✓ *Participation* is more important than the gift amount
- ✓ *Concentrate on those who donated last year first*, those who gave in the last 3-5 years second, first-time donors third. Use the info in your Volunteer app to contact classmates who gave last year but haven't yet this year, and go from there
- ✓ Remember to *thank past donors for their generosity to The Salisbury Fund*. This is a great ice-breaker and conversation starter
- ✓ *Work as a team*. Keep in touch with other Class Agents and share tips amongst yourselves
- ✓ Salisbury's Development Office is here to support you. *Let us know how we can help*
