

ST HUGH'S  
OXFORDSHIRE

## **Associated Board Exams**

Exams provide a valuable goal and are an excellent stimulus for practice. We are pleased to be able to offer our pupils the option of taking their instrumental exams in the familiar surroundings of the music department. St Hugh's is an exam centre and each term we co-ordinate a visit by an Associated Board examiner.

St Hugh's pupils are also prepared for Trinity & Guildhall and Rock School exams on certain instruments. These exams take place at venues in Swindon and Oxford.

Passing an exam gives public recognition of a child's progress and pupils gain great satisfaction and pride from these achievements. Results are published in the weekly news and the children are presented with their certificate of achievement in Assembly.

Details of analysis of past results are available from the Director of Music:
