This morning the Project Impact students helped the younger grades decorate cards for our local veterans. We collected a bunch of socks, too. The kids were taught the importance of thanking a veteran for their service to our country. Mr. Bridgman, thank you for your service!

As the weather has been turning cooler very quickly, it is important to please make sure that your child has the appropriate clothing for outdoor play i.e. coats, hats, scarves, boots, and gloves. Students will be outside for recess each day and often go outside for gym. All students are expected to participate, so please make sure they are prepared for these chilly days! Kids go out to recess as long as the temperature feels like 15 degrees Fahrenheit.

Banner Elementary School houses the District K-5 Life Skills program with students with severe physical and cognitive challenges. They are trying to generate finances to build an all-inclusive playground where all students are able to access equipment and play with their peers. It is about a \$200,000 project. If you would be willing to donate to this project, we would greatly appreciate it!

Peoriaplayers.org

This will be a great family event! There will even be some of our own Dunlap community performing!

We hope to see you there

Physical Education Excuse

A parent/guardian may excuse a student from physical education for up to two days. Any long term physical education excuse must be requested in writing from the student's health care provider, specifying the length of time your child is to be exempted. A written note from the health care provider should be submitted for the student to resume full activities.

Any child who is exempt from physical education for medical reasons will not be allowed to participate in outdoor recess activities. Re-injury on the playground could occur, resulting in prolonging the child's healing and recovery period. Arrangements for indoor recess in the main office or a supervised classroom will be made.

PTO

Please join us for our next PTO meeting at 6:30 on the evening of November 21st in the Wilder-Waite cafeteria.

Some of what will be discussed will be post Spook information

We hope to see you there!!
