POSITIVE MESSAGE MONDAY: Quotes by Brian Mendler, our Feb. PD presenter, or one of his Twitter followers

A kid who doesn't care is dangerous. Hope is the BEST thing we can give our students.

Every time I have a problem with a student, I realize I may be part of the problem.

5 Non-negotiables for success worth your toughest students:

1. You have to like them (or pretend - it's better than truthfully acting like we don't like them). *Fake it 'til you make it.*
2. Private is better than public.
3. Some is better than none.
4. Late is better than not at all.
5. Sometimes settling for 2nd to last word is always bad.
