

Opportunities

Program Open until 6 pm all week: **Enroll Now! Just \$20 a month!**

2019-2020

ASES

La Cumbre

7th and 8th grade

**Santa Barbara
Unified
SCHOOL DISTRICT**

STUDENTS ENJOYING THEIR TRACK AND FIELD VICTORY

FUN ON AND OFF CAMPUS!

The ASES Program is proud to offer a variety of activities for students in a safe and engaging environment after-school all week, along with field trips on minimum days!

Theater

La Cumbre's completely renovated theater will give students the opportunity to act, sing, dance, learn sound and set design, and be in a school theater production. Action!

Sports

Junior High Sports include: basketball, soccer, volleyball, and cross country. Come out and play for La Cumbre Junior High!

Computers

Our computer lab is open daily for students. Come in and practice your keyboarding, research, and design skills or play a game.

Tutoring

Does your student need help with their homework, or a quiet place to study? We have a tutoring center staffed with tutors to help them with all their studies.

3-D Printing

Got Technology? La Cumbre does! Join us to explore applications, learn programming skills, and print your creations in 3-D!

Weight Training

Do you like to work out? Want to get in shape? Visit our fully equipped and YMCA-run weight room. Feel the burn!

Music

Want to learn an instrument or already play one? Be part of our rock band program and after-school band music program.

Cheer

Stay active and cheer for our sports teams! Participate in the school parades on State St. and get prepared for high school drill and cheer teams. Have fun and add excitement to school events.

Students rehearsing for theatre!

Students playing guitar!
