

REPORT OF GIVING

July 1, 2018 to June 30, 2019

MESSAGE FROM THE BOARD

It gives me great pleasure to present the Annual Report of Giving for the Academy's fiscal year ending June 30th, 2019. I find it particularly impressive to see how many incredibly loyal donors contribute every year – some for over 55 years!

Annual Fund support continues to remain strong bringing in over \$950,000. Although leadership gifts account for over 87% of funds raised, each and every gift matters greatly and all are sincerely appreciated. This coming year, in addition to enhancing the endowment, we will be focusing on project-based fundraising.

The generosity of so many alumni, parents, grandparents, and friends is heartwarming. Please know that the students, faculty, staff, and trustees of the Academy thank you for assuring Hebron's sustainability in its third century and for many years to come.

Sincerely,
Robert J. Ryan '77
Chair of the Advancement Committee

SUMMARY OF GIVING

Ongoing support of Hebron Academy, in the form of gifts to operating, facility and endowment funds, is a proud tradition in the Hebron community. The Trustees of Hebron Academy wish to thank most sincerely the 887 donors who made gifts during the 2018- 2019 fiscal year, which ran from July 1, 2018 through June 30, 2019.

GIFTS IN HONOR OF PAUL S. GOODOF '67

In the spring of 2006 I met Paul Goodof '67. We immediately connected based on our knowledge of the construction industry and our love for Hebron and what it had done for us as young men, albeit a generation apart.

Soon after that first meeting, and with Paul's help, I was fortunate to join him on Hebron's Board of Trustees. I was a natural fit for the Buildings and Grounds Committee, but with little nonprofit board experience. Paul provided support, knowledge, and guidance about how the board works in general. He worked with me specifically on how I could focus my knowledge and experience and turn that into focused leadership for Hebron. In turn, this allowed Paul to do more with his time, ultimately benefiting the board as a whole, and Hebron Academy.

As Chair of the Board, Paul's ability to be both tactical and strategic in his approach to the opportunities and challenges that arise each year was calming. His ability to put Hebron Academy students first, at all times, is a credit to his personality and persistent desire to make Hebron best in class. Paul was committed to making sure Hebron did more with less, always balancing difficult business decisions with what was best for the Hebron community.

The Williams Center of today would not have been possible without Paul's oversight and commitment. He kept the team focused and determined and ultimately provided Hebron a building that it could afford to build and maintain, including many features that were questioned at times – the squash courts and running track to name two.

It was a pleasure to work with Paul during my years on the Board and I am grateful to him for all he has done to help support and educate me personally and professionally.

Above all I will remember Paul's love of all things Hebron.

Jim Hill '90

Paul embodies what Hebron students and faculty should always strive to be – sharp, inquisitive, kind, compassionate, and loyal. He represents the best of Hebron to our family, to the school community and to the community at large. During his years on the board he has been consistently present throughout campus, be it on the sidelines of home games, at community meetings in the Chapel, and in the halls of Hebron. He truly and genuinely cares about every aspect of Hebron – its students and faculty, its facility, its mission, its history, its future, and the overall character of Hebron. As an alumnus, he reminds me of the best of Hebron during my time there: caring adults who develop meaningful intellectual and personal relationships with students. By fostering these relationships, Paul has helped to develop an engaged and caring group of rising Hebronians who go forth and excel. This elevates the reputation of the school as nothing else can. I am grateful for his time and attention to all of Hebron's students and will miss his dedicated presence.
