Dear Minooka Junior High Families:

Conferences are quickly approaching at MJHS. Our format is student led, but we also want to make sure you as parents understand that teachers are involved as well. As you and your child are discussing their progress, your child's teachers will be stopping at your tables to answer any questions you may have and add any additional information they would like to discuss. Teachers will be involved in multiple conferences at any given time, so if there is someone you would like to speak with but have not had a chance, please notify any available staff member and they will assist you with finding that teacher. Additionally, Social Workers and Counselors will be available in the Commons Area and MITC room if you would like to speak with them.

Attached you will find a guideline sheet that gives some information about how the conferences will operate. If you have not signed up for a conference, but would like to do so, please use this link:

Conferences will run from 12:00-8:00 pm on Monday, November 25th with the last conferences that evening beginning at 7:30 p.m, and on Tuesday, November 26th, conferences will run from 8:00-12:00 with the last conferences beginning that morning at 11:30 a.m. All conferences will be held in the gymnasium unless otherwise arranged by the teacher(s), and entrance can be made into the building via the East doors (near the gymnasium).

If you have any questions, please call or email your child's Advisory teacher.
