## Common Core in our Classroom

In this section of the newsletter, you will find all of the information about the common core essential elements we will be focusing on each month. This information will change, so please look it over and try to work on these things at home with your child. Here are the November "I can" statements:

- I can explore matching activities about multiples of 10's up to 50.
- I can match multiples of 10 up to 50.
- I can order numbers that are multiples of ten ranging from 0-500 from least to greatest.
- I can attend to lesson activities surrounding the main idea.
- I can correctly identify the main idea of a text using picture choices as needed.
- I can express an opinion about a topic or text by showing signs of emotion.
- I can illustrate or express an opinion about a topic using pictures.
- I can illustrate, tell or write an opinion about a text.

## Classroom News

Welcome to November! I hope everyone is adjusting well to being back in school and the changes happening in our Michigan weather. I am super excited to be back to work and see all the students! While the kids have been back for a few months we now have to work to reestablish our usual routine and expectations. I am confident we will have a wonderful and exciting school year and I look forward to all of the fun and excitement I am sure we will have together!

TLC's school wide themes for November include Michigan History and Thanksgiving!

We will be talking about Michigan History a bit and exploring some of the holidays such as Veteran's Day. We will also be doing some fun Thanksgiving activities.

The Unique Learning System (ULS) topic for the month of November is *Things in the Sky!* We will be talking about the sun and the moon and other fun aspects about things you may see in the sky.

If your child will be absent, please call the classroom at (734) 759-5908. Thank you!
