Class Discussion

Time is flying by as we enter November. Over the past few months, everyone has been working hard with IEP and curricular goals. Last week, it was also our pleasure to participate with Instructional Rounds at TLC. This is when other staff members, visit our classroom, to observe all the wonderful happenings. I am proud to say everyone did a wonderful job and we received personal thank you letters from our visitors. In November, we will continue to venture out into our community which provides learning opportunities in a variety of settings. Also, later this month, students and staff will sit together to enjoy a Thanksgiving feast. As always, if you have any concerns or questions please don't hesitate to contact me. Let's have a great November!
