Happy Thanksgiving!

what we're learning

Math:

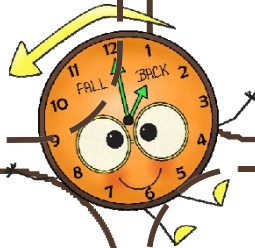

I can recognize shapes that are congruent.

Reading:

I can attend to how characters, settings, or events change over the course of a text.

Life Skills:

Making small purchases in the community

teacher notes

Dear Students and Families,

We had a very fun October in #210! The students enjoyed the different Halloween activities and crafts throughout the month. Thank you to those of you that sent in treats to share with our class! Our school wide theme this month is history with a focus on: Veteran's Day, Michigan History, and Thanksgiving. For math this month we will be focusing on recognizing congruent shapes and for reading we will be learning how different characters, settings or events change over the course of a text that we read/listen to. We will also be taking more community trips as a class including: bowling, Sam's Club, and Meijer. Please feel free to send in spending money with your student. As always students will continue to work on achieving their individual IEP goals and developing life skills. Please feel free to contact me if you have any questions or concerns. I would love to hear from you!

Mrs. Jessica

supplies wish list

- Sandwich bags
- Snacks to share with the class

THANK YOU!!!!
