The Position – tentative opening

The Middle School Math Teacher would be responsible for teaching pre-algebra and algebra to students in grades 6-8. Other courses may be assigned as necessary. *Note: We will know if we definitely have an opening by February, 2020.*

Qualities

We are looking for an educator who has demonstrated a love for teaching and is familiar with the rewards and challenges of working with middle school students. The successful candidate will be able to:

- Demonstrate a thorough knowledge of the content area and be able to share the material in a thorough manner
- Build warm, trusting relationships with students, colleagues and parents by listening well and responding to concerns in a timely and appropriate manner
- Respond well to a busy – often hectic – school day; adjust priorities as needed
- Maintain an upbeat, positive outlook, as well as a sense of humor

The following qualities are preferred but not required:

- 3+ years experience teaching math to students in grades 6-12
- M.A. in Math, Education or in a related field
