

Large Name Tapes for Sports Kit

The large name tapes for the outside of sports kit (for children in Year 3 and above) may be purchased from the company 'Easy2name'.

Please access the website: www.easy2name.com and then click the tab: 'Sew on' / 'Sew on ID tags' (which are 25mm high).

The text colour should be **Navy** and the background colour **White**. The lettering of the text should be first initial / full stop / space / surname e.g. A. SMITH

Please choose the number of labels you require and proceed through to the payment area.

When making an order, we would be most grateful if parents would kindly quote '**St Hugh's School SN7**' as the reference, to enable us to benefit from the commission offered to FOSH by this company.

Please refer to the school website for illustrations of where to fix the large name tapes on to your child's sports kit.
