From the Principal

We welcome all returning and new students and their parents/guardians to the new school year!

Edison Middle School is designed to meet the unique needs of young adolescents. We are committed to academic excellence and to providing opportunities for student growth and success. We plan and organize excellent projects and provide exciting learning experiences for our students.

Experience tells us that to receive the most benefit from what we offer, your child must be an active participant in the life of the school. This includes taking part in classroom activities, completing assignments, stretching his/her mind, and becoming involved in some of the extra-curricular offerings. Very importantly, your student must attend school on a regular basis. Research shows a clear relationship between regular and punctual attendance with academic achievement and later success in the real world.

We also know that family involvement in education is crucial. Family involvement benefits students' academic performance, enhances family-school relations and increases the understanding and support for students in the home as well as in the school.

We, in the best interest of your child, request your involvement and support in the educational process. Please feel free to contact us to resolve any questions or issues you may have.

We look forward to a great school year!

Jim LeMire
Principal

Schoolwide Title I Program Notice

As a school with a low-income rate of 60.6%, Edison Middle School receives federal Title I funds to support the learning of all students through a Schoolwide Title I Program. Schoolwide programs serve all children in a school. All staff, resources, and classes are part of the overall schoolwide program. The purpose is to ensure all students, including those most in need, are positioned to meet the state's challenging academic standards. Schoolwide Title I schools annually complete a needs assessment to identify the school's strengths and areas for improvement in student achievement, develop strategies and actions steps to address how the goals identified will be achieved, and evaluates and updates the plan as needed.

Schoolwide Title I schools are required to engage parents and families in the Title I planning and evaluation process as well as provide opportunities for parents and families to engage in supporting their child's education. Copies of the Schoolwide Title I Plan and the Title I Parent and Family Engagement Policy are available upon request. Please contact the school secretary at (608)743-5900 or lara.newborn@janesville.k12.wi.us to request a copy.

Aviso del Programa de Título I de la Escuela

Como una escuela con un índice de bajos ingresos del 60.6%, la escuela Edison recibe fondos federales de Título I para apoyar el aprendizaje de todos los estudiantes a través de un Programa de Título I en toda la escuela. Los programas en toda la escuela sirven a todos los niños de una escuela. Todo el personal, los recursos y las clases son parte del programa general de la escuela. El objetivo es garantizar que todos los estudiantes, incluidos los más necesitados, estén en condiciones de cumplir con los estándares académicos desafiantes del estado. Las escuelas de Título I completan anualmente una evaluación de necesidades para identificar las fortalezas y áreas para mejorar el rendimiento estudiantil en la escuela, desarrollar estrategias y pasos a seguir para abordar cómo se alcanzarán las metas identificadas, y evaluar y actualizar el plan según sea necesario.

Las escuelas de Título I deben involucrar a los padres y las familias en el proceso de planificación y evaluación del Título I, así como proveer oportunidades para que los padres y las familias participen apoyando la educación de sus hijos. Están disponibles a solicitud, copias del Plan de Título I de la Escuela y copias de la Política de Participación de Padres y Familias del Título I. Por favor comuníquese con la secretaria de la escuela al (*phone number*) o a (*email*) para solicitar una copia.

Title 1 ~ Edison Middle School is a schoolwide Title 1 school. What does that mean for your child? It means access to highly qualified teachers, including Title 1 teachers, to support students in reading and math. Title 1 services can include, but are not limited to, extra support in the math and reading classrooms, small group instruction, and targeted interventions. Here at Edison, our Title 1 teachers are shared with Franklin Middle School. They are Mrs. Laura Steele (lsteele@janesville.k12.wi.us) and Mrs. Dawn Skrzypchak (dskrzypchak@janesville.k12.wi.us). Being a Title 1 school also increases funding for teacher professional development, technology upgrades, family nights, and other resources for students, staff, and parents.

WEATHER - INCLEMENT WEATHER/SCHOOL CLOSING INFORMATION

Decisions about whether to cancel school are made in coordination with both the Janesville Transit System and the Van Galder Bus Company, as well as the passage of city streets, safety of rural students, and information from the county highway department and city street department. The final decision to delay or close rests with the Superintendent. If school is not cancelled and families do not feel it is safe for their child to come to school, then they should keep their children home. Families should remember to call in the absence to the school.

The Superintendent will continue to have the option of delaying the start of school by an hour. If this occurs,

the School District will continue to have special education, early childhood, and kindergarten classes. Elementary School class will begin at 9:20 a.m. and middle and high school classes will begin at 9:00 a.m. Universal Free Breakfast will be served on delayed start days.

Infinite Campus will serve as our primary means of notification. We urge you to supply your student's school with your contact information and updates as changes occur. WCLO and additional radio and TV stations will be contacted regarding school closings or delays. Closing and delay information will be posted no later than 6:00 a.m. In order to keep district lines open for general operations, we suggest parents not call the district for closing information.

Our schools do not close early in an attempt to avoid incoming snow or ice storms. This decision is to protect children who may get home before their families and have no access or supervision at home. There also will be no athletic contests and no practices on days school is called off for weather reasons. The gyms will also be closed.

On days when school is in session but weather has progressively gotten worse, cancellations for after school or evening athletics or extracurricular activities will be announced by 2:00 p.m. on WCLO radio that day. Infinite Campus will serve as our primary means of notification.

Tornado Warning

When the National Weather Service issues a tornado warning, it means that an actual tornado has been sighted by a trained spotter or a radar reading shows conditions are right for a tornado to develop in the immediate area. When a tornado warning is issued for the immediate Janesville area, the emergency sirens will be activated.

Twice each school year, Edison Middle School practices the response the school would use if an emergency siren is activated for a tornado warning during the school day. Edison Middle School has designated safe areas for all students and staff to go to when a tornado warning is issued.

Because all doors to Edison Middle School are secure during the school day, they will remain locked during a tornado warning. Staff are encouraged to not respond to door buzzers, knocks on doors, or phone calls, but rather to remain in their designated safe zone until the tornado warning is canceled. We also encourage parents and family members of students to seek safe shelter during a tornado warning. **Parents or family members should not come to Edison Middle School during a tornado warning to pick up their child.**

Once the tornado warning is canceled, Edison Middle School will return to usual operations. At that time, staff will be able to respond to door buzzers and phone calls. Thank you in advance for working with Edison Middle School to keep y your child safe during a tornado warning. If you have any questions or concerns regarding this information, please call the Director of Safety and Student Services at 743-5078.

It's the Law in Wisconsin

Kids Need Shots for School!

To attend school in Wisconsin, students must show they've had immunizations.

Immunization Requirements

The following table lists the minimum required immunizations for students in grades 6-9.

Age/Grade	DTP/Dtap	Tdap	Polio	Hepatitis B	MMR	Varicella
Grade 6-10	4	1	4	3	2	2

MORE INFORMATION IS AVAILABLE IN THE HEALTH OFFICE AT 608-743-5932

If your child needs immunizations, they can receive them from their local doctor or the Rock County Health Department (608-757-5440). These immunization requirements can be waived by claiming a health, religious, or personal waiver. Contact the Edison attendance office at 608-743-5932 to claim a waiver.

“The school district must locate, identify and evaluate all resident children with disabilities, including children with disabilities attending private schools, regardless of the severity of their disabilities.” The school district has a special education program to locate and screen all children with suspected disabilities who are residents of the district and who have not graduated from high school. Upon request the school district will screen any resident child who has not graduated high school to determine whether a special education referral is appropriate. A request may be made by contacting Kimberli Peerenboom, Director of Pupil Services for the School District of Janesville at 743-5061, or by writing her at 527 S. Franklin St., Janesville WI 53548.

Annually the district conducts developmental screening of preschool children. Each child’s motor, communication and social skills are observed at various play areas. Each child is weighed and measured, and the child’s hearing and vision is checked. The information is used to provide the parent with a profile of their child’s current development and to provide suggestions for follow up activities. Parents learn about community services available to them and speak with representatives of agencies serving families. The information from screening is also used to determine whether a child should be evaluated for a suspected disability. When school staff reasonably believe a child is a child with a disability, they refer the child for evaluation by a school district Individualized Education Program (IEP) team. Developmental screening will be a part of the kindergarten screening this Spring. Watch for dates at your local school.

A physician, nurse, psychologist, social worker or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to report the child to the school district in which the child re-sides. Before referring the child, the person making the referral must inform the child’s parents that the referral will be made.

The referral must be in writing and include the reason why the person believes the child is a child with a disability. Others who reasonably believe a child is a child with a disability may also refer the child to the school district in which the child resides. A referral of a child residing in the School District of Janesville may be sent to Kimberli Peerenboom at the school district address above.”

Aviso Detectar al Niño

“El distrito escolar tiene que localizar, identificar y evaluar a todos los niños residentes con discapacidades, incluyendo a los niños con discapacidades que asisten a escuelas privadas, sin importar la gravedad de sus discapacidades.” El distrito escolar tiene un programa de educación especial para localizar y evaluar a todos los niños con presuntas discapacidades, quienes son residentes del distrito y que no se han graduado de la escuela preparatoria. Cuando se solicite, el distrito escolar evaluará a cualquier niño residente que no se haya graduado de la escuela preparatoria para determinar, si es apropiada una referencia para educación especial. Una solicitud puede hacerse contactando a Kimberli Peerenboom, Director de Servicios al alumno del Distrito Escolar de Janesville al 743-5061, o escribiéndole a: 527 S. Franklin St., Janesville WI 53548.

Anualmente el distrito lleva a cabo evaluaciones del desarrollo de los niños en edad preescolar.

Cada una de las habilidades motoras, comunicativas y sociales del niño son observadas en varias áreas de juego. Se pesa y mide a cada niño y su audición y visión son revisadas. Se utiliza la información para proporcionar al padre un perfil del desarrollo actual de su niño y proveer sugerencias para las actividades de seguimiento. Los padres aprenden acerca de los servicios comunitarios disponibles para ellos y hablan con representantes de agencias que dan servicio a las familias. La información de la evaluación también se utiliza para determinar si un niño debe ser examinado por presunta discapacidad. Cuando el personal de la escuela razonablemente cree que un niño, es un niño con una discapacidad, refieren al niño para una evaluación por el equipo del Programa Educativo Individualizado (IEP) del distrito escolar. Las evaluaciones del desarrollo serán parte de las exámenes del kínder esta primavera. Espere las fechas en su escuela local.

Un doctor, enfermera, sicólogo, trabajador social o administrador de una agencia social que razonablemente crea que un niño que se le llevó para recibir atención es un niño con una discapacidad, tiene el deber legal de reportar al niño al distrito escolar en el cual el niño reside.

Antes de referir al niño, la persona que hace la referencia tiene que informar a los padres del niño que se hará la referencia. La referencia tiene que ser por escrito e incluir la razón por la cual la persona cree que el niño, es un niño con una discapacidad. Otros quienes razonablemente creen que un niño, es un niño con una discapacidad, pueden también referir al niño al distrito escolar en el cual el niño reside. Una referencia

de un niño que reside en el Distrito Escolar de Janesville puede enviarse a Kimberli Peerenboom a la dirección de arriba del distrito escolar.

Although on-line application is recommended, paper applications may be obtained from the Department of Public Instruction or any school district after February 3, 2020 and must be delivered (hand-delivery is recommended) to the nonresident school district during the application period. Paper applications to attend Janesville must be submitted to the Open Enrollment Specialist in the New Student Enrollment Office no later than 4:00 p.m. on April 30th (a postmark does not constitute timely submission). Applications turned in prior to February 3rd will be returned as not valid and must be resubmitted after February 3rd but before April 30th at 4:00 p.m.

Enrollment in a requested school or program is subject to space and other limitations and is not guaranteed. Transportation is the responsibility of the parent. Habitual truancy may result in recommendation for the student to return to their home district.

Under School District of Janesville board policy, students who attended the district under open enrollment the previous year are not required to reapply for the following school year.

An application is required for each sibling in the family. For example, if a family has one child in elementary school that has been approved for open enrollment and a new student entering kindergarten next year, the student entering kindergarten must apply for open enrollment in order to attend the School District of Janesville.

Parents will be informed in June whether their open enrollment applications have been approved or denied. The student's school or program placement will be provided in June.

If you have questions, please contact the Open Enrollment Specialist at 743-5152.

Fechas de Inscripción Abierta de las Escuelas Públicas

El estado de Wisconsin ha anunciado que el período de solicitud de inscripción abierta (también conocida como opción de escuela pública) comienza en febrero para el siguiente año escolar. Las leyes de inscripción abierta permiten que los niños asistan a una escuela pública en un distrito escolar distinto al que viven.

El período de solicitud de inscripción abierta para el año escolar 2020-2021 es del 3 de febrero de 2020 al 30 de abril de 2020. Se recomienda a los padres que se inscriban en línea en <https://www2.dpi.state.wi.us/OpenEnrollApp>. Aunque se recomienda la solicitud por internet, las solicitudes impresas pueden obtenerse en el Departamento de Instrucción Pública o en cualquier distrito escolar después del 15 de enero de 2020 y deben entregarse (se recomienda entregarlo en persona) al distrito escolar no residente durante el período de solicitud. Las solicitudes en papel para asistir a Janesville deben enviarse al Departamento de Servicios Administrativos a más tardar a las 4:00 p.m. del 30 de abril (un sello postal no

constituye la presentación oportuna). Las solicitudes entregadas antes del 3 de febrero serán devueltas como no válidas y deberán volver a enviarse después del 3 de febrero, pero antes del 30 de abril.

La inscripción a una escuela o programa solicitado está sujeta al espacio y otras limitaciones y no está garantizada. El transporte es responsabilidad de los padres. El ausentismo habitual puede resultar en una recomendación para que el estudiante regrese a su distrito local.

Bajo la política del Consejo del Distrito Escolar de Janesville, los estudiantes que asistieron al distrito bajo la inscripción abierta el año anterior no están obligados a volver a llenar una solicitud para el siguiente año escolar.

Se requiere una solicitud para cada hermano de la familia. Por ejemplo, si una familia tiene un estudiante en la escuela primaria que ha sido aprobado para inscripción abierta y un estudiante nuevo que ingresará al kínder el próximo año, el alumno que ingresa al kindergarten debe solicitar la inscripción abierta para asistir al Distrito Escolar de Janesville.

Se les informará a los padres en junio si sus solicitudes de inscripción abierta han sido aprobadas o denegadas. La asignación de la escuela o programa del alumno se proporcionará en junio.

Si tiene alguna pregunta, comuníquese con la especialista de inscripción abierta al 743-5152.

School District of Janesville

Annual Notice of Special Education Referral and Evaluation Procedures

Upon request, the School District of Janesville is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made. Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Ms. Kimberli Peerenboom, Director of Pupil Services, School District of Janesville, at 608-743-5061, or by writing her at 527 S. Franklin Street, Janesville, WI.
