Book Fair eWallet!!

A safe, convenient payment option for students. After the Fair, any unused funds are released back to the cardholder.

What?

Book Fair eWallet is a secure, cash-free, digital payment option.

Who?

Parents create a FREE account for their student and set a spending limit.

Where?

Students use their eWallet to shop the In-School Book Fair.

When?

Parents can set up eWallets as early as two weeks prior to and through the last day of your in-school Fair. Students can shop with their eWallets any day of the Fair.

Why?

Because parents don't always have cash on hand to give their kids. (And let's be honest ... kids sometimes misplace their money.) And it's a great way for extended family and friends to participate in the Fair, too.

How?

Simply visit our school's Scholastic page at <https://www.scholastic.com/bf/oakhillsbookfair2>
