

MISERICORDIA UNIVERSITY WEEKLY LEVEL II FIELDWORK LOGS

Communication in the supervisory process is vital for a successful learning experience. Each week of the Level II Fieldwork experience, it is suggested that the student complete a fieldwork log and at a designated day and time review it with the fieldwork educator supervising them. The supervisor should spend that time providing clear, concrete feedback related to the student's performance and collaboratively with the student establish goals for the next week.

Student Name: _____

Week #: _____

Fieldwork Supervisor: _____

I feel my areas of strengths are:

I feel the following are areas I need to show improvement in:

In order to meet the expectations of a Level II student at week _____ at this fieldwork site, I must work on the following goals:
