

## **CAMP RULES**

- **The summer camp schedule will be strictly enforced, including arrival and departure times. Since we have a number of on and off campus activities planned, we are unable to accommodate late arrivals, early dismissals, or students wishing to commute to and from camp. Unexpected illnesses and/or emergencies are the only exceptions to this rule**
- **Students attending the Misericordia University's Summer Camp must be accompanied by a parent or guardian upon arrival and departure. Under no circumstances will a student be allowed to possess a vehicle while on campus. If a student should arrive with his/her own vehicle that student must relinquish his/her keys to security upon arrival. Keys will be returned at the time of departure from camp.**
- **Students will not be permitted to leave the camp on their own. A legal parent or guardian will need to be present upon dismissal from camp. Under no circumstances will a student be allowed to transport any other student from camp at the time of dismissal.**
- **Alcohol, tobacco, and any other form of illegal substance are prohibited on campus. Should a student require prescription or over the counter medication, a note from a parent or guardian must be provided explaining the need. Staff will have the right to inspect personal belongings in order to insure the safety of all the students. Any student found to be in violation will be immediately dismissed from camp and the proper authorities contacted.**
- **Students are not permitted to have visitors on campus at anytime during their stay.**
- **Students can possess cell phones; however, they will only be permitted to use them in their dorm rooms. The use of cell phones will not be permitted during camp activities and community visits.**
