Procedures, Policies and Guidelines**

INTRODUCTION

Measure B and Measure K and Measure CC were each approved by at least 55% of the voters of the Fremont Union High School District (the “District”) pursuant to the provisions of the Strict Accountability in Local School Construction Bonds Act of 2000, codified at Sections 15264 and following of the Education Code. The Act requires the Board of Trustees (the “Board”) to appoint a Citizens’ Oversight Committee after the successful bond elections. Measure J was approved by at least two-thirds of the voters of the District. Measure J also requires the Board to appoint a Citizens’ Oversight Committee after the successful parcel tax election.

Legal authority for formation and duties of the Citizens’ Oversight Committee (the “Committee”) is found in Sections 15264 and 15278 to 15282 of the Education Code. The purpose of these Procedures, Policies and Guidelines is to direct the formation and actions of the Committee by reference to the statutory requirements. Where the statutory direction is insufficiently specific, the Board has furnished missing details. In addition, the Board sets forth below its expectations, suggestions, and desires for the operations of the Committee. All references below to the provisions of law are to the Education Code of the State of California, unless otherwise specified in context.

**I. Establishment**

The Board is required to appoint members to an independent citizens’ oversight committee as a result of the passage of Measure B at the election conducted on June 3, 2008, Measure K and Measure J at the elections conducted on November 4, 2014, and Measure CC at the election conduction on November 6, 2018. *Educ. Code §15278(a)*.

**II. Purpose**

A. Statutory Purposes for Measure B and Measure K and Measure CC Bonds. The Committee is charged by statute with the following purposes:

1. To promptly alert the public to any waste or improper expenditure of school construction bond money. *Educ. Code §15264(c)*.
2. To inform the public concerning the expenditure of bond revenues. *Educ. Code §15278(b)*.
3. Ensuring that bond revenues are expended only for the purposes described in the Constitution; that is, for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities. *Calif. Const. art. XIII A, §1(b)(3); Educ. Code §15278(b)(1)*.
4. Ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses. *Calif. Const. art. XIII A, §1(b)(3)(A); Educ. Code §15278(b)(2)*.

B. Purpose for Measure J Parcel Tax. The Committee is charged with the following purposes:

1. Ensuring that moneys raised under the Keep Our High Schools Excellent Act of 2014 are spent wisely and only to provide financial support to local school programs in accordance with priorities established by the Board of Trustees and to the extent of available funds, including to protect teaching positions, avoid increased class sizes, and assure that the District's high school students are prepared to successfully compete for college and university admission, and to provide other financial support to the extent of available funds to maintain and support the District's academic programs, including the purchase of instructional equipment, materials and supplies. *Fremont Union High School District Keep Our High Schools Excellent Act of 2014, Measure J.*

C. Board Charge to Committee. In addition to the statutory purposes, the Board believes that the Committee's purposes should include facilitating understanding between the Board and the residents of the District, as a complement to the Board's own regular public meetings and citizen outreach efforts. The Board believes the Committee will best serve its statutory purposes and the interests of the community by:

1. responsibly reviewing Board plans with regard to bond projects
2. communicating the community's concerns or satisfaction to the Board with regard to those projects and the District's overall building and renovation plans
3. communicating the Board's intentions with respect to bond projects to the community.

D. Role of Committee vis-à-vis Board.

1. As the legally elected representative of the voters, the Board, on the advice of the Superintendent, must make all decisions relating to how bond funds are spent, how bond projects are configured, the cost, priority and timeline for completion of the various bond projects, and all other matters

necessary in connection with the District's building program. The Board values the Committee's input on these matters as an advisory body.

2. The Committee will need to refer to the text of Measure B and Measure K and Measure CC, and the Bond Project List contained therein, and the text of Measure J, but the Committee's interpretations of Measure B, Measure K, Measure J, and Measure CC are not binding on the Board.

### **III. Members**

- A. Minimum Size. The Committee shall always be comprised of at least 7 members. *Educ. Code §15282(a).*
- B. Required Members. Pursuant to statute, the Board shall appoint to the Committee the following members: *Educ. Code §15282(a).*
  1. One member active in a business organization representing the business community located within the District.
  2. One member active in a senior citizens' organization.
  3. One member active in a bona fide taxpayers' organization.
  4. One member who is the parent or guardian of a child enrolled in the District.
  5. One member who is the parent or guardian of a child enrolled in the District and who is active in a parent-teacher organization, such as the PTA or school site council.
  6. Two other members, selected from the public at large.
- C. Board Procedures for Appointment of Committee.
  1. Appointment.
    - a. Persons interested in serving as members of the Committee shall submit a written application to the Superintendent, specifying such information in such format as the Superintendent shall reasonably require. Such information shall include, at a minimum:
      - (i) the specific position or positions listed in Section III.B, above, for which the applicant qualifies
      - (ii) such information as may be necessary to verify that the applicant meets that qualification requirement.
    - b. The Superintendent shall recommend from among the qualifying applications a list of names to the Board for appointment to the committee, specifying how the requirements of Section III.B are met, or as many of those requirements as possible given the applications submitted.
    - c. The slate of names shall be approved or rejected as a whole by a majority vote of the Board. If rejected, the Board shall direct the Superintendent to prepare a new slate of names for approval, including a new application procedure if appropriate.

2. Failure to Appoint.
  - a. Willful failure to appoint the Committee is grounds for legal action by any taxpayer against the Board. Educ. Code §15284(a)(4).
  - b. The Board will make a good faith effort to appoint the Committee and fill vacancies to ensure that the Committee is fully constituted and functioning. No vacancy, at initial appointment or otherwise, will prevent the Committee from meeting and conducting its business.
  - c. In the event that the Superintendent does not receive acceptable applications from the public to fill all of the positions specified in Section III.B, above, or if at any time there is a vacant position on the Committee, the Superintendent shall cause a notice of the vacancy to be posted in a conspicuous public place (e.g., where regular public notices of the Board are posted), specifying the eligibility requirement for the vacant position and that a written application must be submitted to the Superintendent, and such notice shall remain posted until the vacancy is filled. The Superintendent, in her discretion, may advertise the vacant position in a newspaper reasonably expected to be circulated among interested persons, and may contact organizations to request nomination of interested persons to fill the positions that require active membership in such organization.
3. The Board may determine to appoint members of the Committee from time to time, in addition to the seven positions specified in Section III.B, above, and without regard to the membership requirements so specified.

D. Additional Eligibility Restrictions. The following persons are not eligible to serve on the Committee: *Educ. Code §15282(b)*.

1. Any employee of the District.
2. Any official of the District.

For purposes of this limitation, the Board finds that any elected or appointed member of the Board is an “official of the district” within the meaning of Section 15282(b). The Board finds that no member of any other citizen committee of the District appointed by the Board to serve without pay is an “official of the district” within the meaning of Section 15282(b).

3. Any vendor, contractor or consultant of the District.

The Board finds that no person is a vendor, contractor or consultant of the District prohibited from serving on the Committee within the meaning of Section 15282(b) unless such person, or any company of which such person is an owner or part owner, agrees or has agreed to perform services or furnish goods or supplies to the District under any agreement or contract that has not been fully performed. Prior contractual relationships with the District do not disqualify a person from serving on the Committee.

E. Term.

1. Each of the members specified by statute is appointed for a term of two years. *Educ. Code §15282(a)*.
2. No member shall be appointed to more than three consecutive two-year terms. *Educ. Code §15282(a)*.

The Board hereby further establishes the following provisions on the terms of members:

3. Any additional members appointed pursuant to the Board's reserved prerogative under Section III.C.3, above, may be appointed to a term of less than two years, as the Board shall specify, but shall not be appointed to a term any longer than two years.
4. Any additional members appointed pursuant to the Board's reserved prerogative under Section III.C.3 shall serve no more than three consecutive terms.
5. Any member appointed to meet any of the criteria of categories 1 – 5 described in Section III.B, above, shall serve only so long as such member continues to fulfill the requirement of the position to which appointed.
6. Notwithstanding the two-year term required by statute, the term of any member shall terminate upon:
  - a. death of the member
  - b. written resignation of the member
  - c. disability or illness of the member, upon a finding by the Board that the member is unable to effectively continue to serve on the Committee
  - d. the sale or provision of any goods or services to the District, or entry into any contract with the District for such sale or provision, whether or not related to the bond program, such that the member becomes a "vendor, contractor, or consultant" within the meaning of Section III.D.3, above
  - e. the employment, appointment or election of such member to a position with the District, such that the member becomes an "employee of the District" or an "official of the District" within the meaning of Section III.D.1 or 2, respectively
  - f. failure of the member to participate in the meetings and activities of the Committee, upon a finding by the Board that the member is unable or unlikely to effectively continue to serve on the Committee.

The Board requests that Committee members keep the Board informed regarding the status of other members, so that the Board can take appropriate action to replace or reappoint Committee members in a timely manner.

7. The term of any member appointed to succeed a member whose term has been terminated pursuant to Section III.E.6 shall be two years, or such

lesser time as remains in the term of the departing member, as the Board shall determine.

8. In order to provide for consistency and continuity in the Committee's operations and deliberations, and to establish a Committee whose entire membership does not turn over every two years, the Board may request the resignation of one or more, but fewer than all, members after one year, in order to reappoint such member, or any other person meeting the requirements for the seat that has been vacated by such resignation, to a two-year term.

F. Compensation. Members serve without compensation. Educ. Code §15282(a).

#### **IV. Authorized Activities**

In furtherance of its purposes, the Committee is authorized by statute to engage in the following activities: *Educ. Code §15278(c) and §15286.*

- D. Receiving and reviewing copies of any deferred maintenance proposals or plans developed by the District, including any reports required to be given to the Legislature by Section 17584.1 regarding a failure to set aside 1/2 of 1% of current year revenues for deferred maintenance expenditures.
- E. Reviewing efforts by the District to maximize bond revenues by implementing cost-saving measures, including, but not limited to, all of the following:
  1. Mechanisms designed to reduce the costs of professional fees.
  2. Mechanisms designed to reduce the costs of site preparation.
  3. Recommendations regarding the joint use of core facilities.
  4. Mechanisms designed to reduce costs by incorporating efficiencies in school site design.
  5. Recommendations regarding the use of cost-effective and efficient reusable facility plans.

#### **V. Meetings**

- A. Initial Organization; Officers. In order that the Committee serve effectively and fulfill the purposes for which it is established, the Board recommends to the Committee that the Committee shall organize and conduct meetings as follows:

1. Initial Meeting. At the initial meeting of the Committee, the Superintendent or a person designated by the Superintendent should open the meeting and facilitate the selection by the Committee members of a presiding officer. Thereafter, selection of a presiding officer and any other officers of the Committee should be by whatever means the Committee determines.
2. President. The Committee should designate a member as presiding officer or president to preside over meetings of the Committee.
3. Representative. The Committee should designate a member or members to represent the Committee at public meetings of the Board and make reports thereto on a regular basis as the Committee shall determine or as the Board may request.

3. Other Meetings of the Committee. The Board recommends that the Committee meet as often as necessary, at least semi-annually, in order to effectively perform its duties.
4. The Board will reserve a place on the regular Board agenda for address by a representative of the Committee. The Committee is not expected or required to make a report at each regular Board meeting.

C. Notice of Meetings; Minutes.

1. The Committee's meetings are governed by the Ralph M. Brown Act, commencing at Section 54950 of the Government Code. *Educ. Code §15280(b).*

District staff will assist the Committee in these and the other activities of the Committee as provided in Section IV.D, below.

2. The Board is required to provide sufficient resources to publicize the conclusions of the Committee. *Educ. Code §15280(a)*.
3. No bond funds shall be expended on any activities or technical assistance provided to the Committee. *Educ. Code §15280(a)*.

The Board will not treat this prohibition against expending bond funds to provide technical assistance to the Committee to include the preparation and photocopying for the members of the Committee copies of the annual independent performance audit and the annual independent financial audit of the bond program required by the Constitution.

4. In order to allow the Committee its independence, the Board does not expect to send a staff representative to each meeting of the Committee.
