Dear Lakeside School families and friends,

Welcome to our centennial ROAR! We are 100 years strong! I hope that you have a wonderful evening of being together in our diverse and dynamic school community. ROAR provides all of us with an opportunity to gather, support the school, and have some fun!

Throughout our first century, we have been so fortunate that generations of individuals like you have generously supported all that makes Lakeside the best school it can be. While being guided by the expectations of Lakeside's founder – that students would receive an excellent academic education, be considerate of one another, and live a life of integrity – Lakeside has also continually offered students new learning opportunities aligned with those tenets and our mission. And as we head into our second hundred years, we are working creatively and purposefully to educate students for the world they will find when they graduate. This is an exciting time at Lakeside!

Thank you to everyone who contributed in any way to putting on ROAR. Our dedicated and inspired volunteers, through the Parents and Guardians Association, provide essential, meaningful support for the superb education we offer their students. Time spent volunteering is an important gift to our school that expands connections and strengthens community.

As you reconnect with friends at ROAR 2019, please reach out and extend your parent-guardian friendship base to include someone new.

Have a great night, everyone!

Bernie Noe, Head of School

Dear Lakeside School families, friends and supporters,

Welcome to the Lakeside School Centennial Celebration! We are honored to have played a role in putting together what promises to be a very special celebration of Lakeside's first 100 years. Indeed, we have much to celebrate, not least of which is the Lakeside community that comes together and is enriched by ROAR.

This is a very exciting time to be a part of the Lakeside community. As we look back on the impact that Lakeside has had on so many lives, the amazing citizens of the world it has produced, we are invited to seed the future tonight, to play a part in launching Lakeside into its next century. This evening we reflect on and celebrate the things that make Lakeside such an amazing environment, both for our children and for the adults in the Lakeside community. Through your attendance tonight, you are choosing to support Lakeside's mission to develop in intellectually capable young people the creative minds, healthy bodies, and ethical spirits needed to contribute wisdom, compassion, and leadership to a global society. Your generosity tonight will spark the continuation of this mission into the next 100 years, starting with your children.

So many of you have been working tirelessly on the ROAR team for months now, helping to make this evening of celebration and generosity truly unforgettable. In the process, we have forged friendships, collaborated in creativity, and been utterly humbled by the support of the Lakeside community. We could never have reached this point without the seamless support of the PGA staff and executive board, past auction chairs, our amazing parent volunteers, and the dedicated faculty and staff of Lakeside.

After months of planning and preparing, we now turn the evening over to you, and we are so excited to witness the generosity and celebration that the Lakeside community will inevitably display.

Let the Centennial Celebration begin!

Your 2019 ROAR Auction Co-Chairs,
Lisa Crisera, Katie Traverse, and Hejin Yim

820 DINNER AND MAJLIS

"Doubts and fears divide the kingdom of the heart" - Rumi.

Bringing together different perspectives is as important today as it was back then.

701 2015 CHATEAU STE MICHELLE ARTIST SERIES BOXED SET

For the 2015 Chateau Ste Michelle Artist Series 3 bottle boxed set, head winemaker Bob Bertheau used the early record harvest of gorgeous reds with rich tannins in a signature blend of 57% Cabernet Sauvignon, 30% Merlot, 10% Cabernet Franc and 3% Malbec. Harvested from Cold Creek, Canoe Ridge estate and other vineyards of Zephyr Ridge, the wine was aged for 24 months in 33% new French oak. This perfect combination of new world sweet and old world complexity is captured in the recent, iridescent work of artist Sheri Bakes titled "Even in the dark." Inspired by Mark Nepo's poetry, "... to feel the sun even in the dark," Sheri explored movement of light and shadows cast along a vulnerable field of luminous poppies and wildflowers.
