Principal's Comments

Mr. Hetrick -

Beginning of the year benchmarking assessments - almost done
K and 1 - Doing ISEL- foundational skills
2-5 - Math and Reading Performance Series Testing
Form groupings/intervention groups afterwards

School improvement team - Past - Goals 1. Data 2. Student Growth 3. Attendance/Parent Involvement
New - Make goals based on building needs - 1. Language of Learning 2. Engagement 3. Committees connect to instruction
Process driven goals instead of data driven goals

New Math Program - Investigations through Pearson
Process of learning, discussion is deeper instead of relying on memorization

Parent/Teacher Conferences - October 3 , 9 and 11

Teachers are looking for volunteers - reach out with email or phone

Keep circle drive moving in the morning, after school wait to go onto playground until daycare buses are gone

Students shouldn't walk thru yards on the way home

Technology District is 1:1 - \$25 fee to insure it

Playground Fundraising - \$22,300 for new playground, online fundraising - \$4000 totaling - \$25/26k
Applied to get a grant that would match what we've raised so far
Buying a whole new playground is the goal if we can get close to \$50,000

P.E. 3 times a week - 75 minutes

Meeting Adjourned At: 7:35 pm
