### ASVAB Testing

If you're interested in taking the ASVAB to learn more about your strengths and what opportunities are available to you, please let Mr. Dawson (in counseling) know. The test can also be used to help meet graduation requirements if you haven't passed the SBAC. We are offering the ASVAB after school on November 20th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send your scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.
