CLOTHING

DONATION

REQUEST

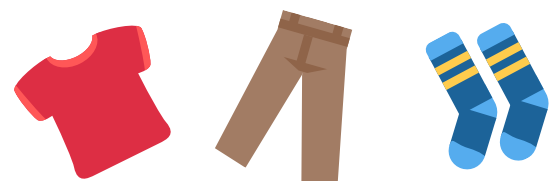

With the cold weather already upon us, students are often in need of extra clothes and frequently end up looking to borrow from the nurses office. We are asking if families have any gently used leggings or athletic pants to share as extras. Donations of clean socks and underwear are also appreciated. Sizes across the grade ranges are helpful, especially larger size socks for 5th grade students.

♥ THANK YOU!!!!

A huge thank you to all of our volunteers for the Harvest Dance. The event DJ provided VERY positive feedback on the fantastic behavior of Eastside students!!

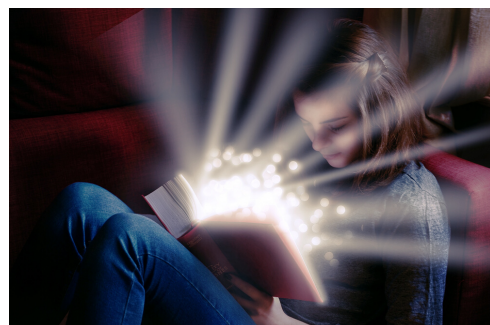

We also want to thank all of our Veterans who participated in the Veteran's Day Ceremony. We appreciate the wonderful role models you are for ALL Eastsiders!!

Thank you for all you have done and continue to do for our communities.

FOR THE LOVE OF BOOK FAIR...

This week our students are likely all showing up at home with a copy of their wish list from the Scholastic Book Fair. Many of us will stop by to shop during Pastries with Parents on Thursday or during conferences both Thursday and Friday. It's even likely that some parents are as excited to visit the book fair as their students. The book fair is an important event for our school for many reasons, of course one of which is the excitement for reading it is apt to instill in our students. The book fair allows kids to browse materials that have been specifically chosen to represent each of their reading levels. It also allows our staff to see what our students are really interested in reading when left to choose for themselves. When we support our students reading at the book fair, we are also supporting students reading at school. A percentage of the profits from the book fair can help to keep our school library updated with the material students are actually interested in reading. We hope that you take advantage of this wonderful resource this week!
