2019

The Oakwood Schools
FOUNDATION
Enhancing Excellence in Education

ANNUAL FUND FOR STUDENTS

OPPORTUNITY Creating unique educational experiences

SERVICE Collaborating with our schools and community

FUNDING Growing a legacy of charitable giving

ONE GRANT

makes a difference

ONE GIFT

no matter how big or how small, makes a difference

How can I make a difference?

Whether \$25 or more, every dollar you contribute to the Annual Fund directly supports students. Help us reach this year's Annual Fund goal by making a tax-deductible gift today.

Return your check payable to:

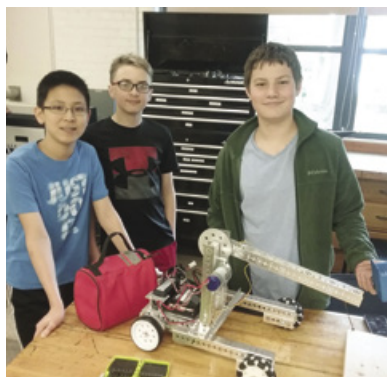

The Oakwood Schools Foundation

in the enclosed envelope.

Or, if you prefer to donate online,

please visit our website at

oakwoodschoools.org/community/osf.

Our grants impact Oakwood students by:

- Enhancing learning
- Empowering students
- Offering opportunities
- Building self-esteem
- Engaging learners
- Developing leaders

The “Motion & Energy” experience brought science to life for Smith Elementary first graders with classroom demonstrations.

“I liked how we pulled the brick with a pulley.”

Darla Cheadle
Smith Elementary student

The Giant Map of Ohio turns geography into a hands-on experience, allowing students the opportunity to study physical features, political influence and historical events with this one interactive tool.

“It was helpful to be physically active during the lesson to help me remember the things that were taught.”

Lander Wheat
Oakwood High School student

FIRST Tech Challenge enables junior high and high school students to develop STEM skills and practice engineering principles.

“FIRST robotics is a good intro to mechanics, building, design and programming. Anyone who thinks STEM will be part of their career should take part in this program.”

Jack Campbell
Oakwood Junior High student

These are just a few of the recent grants made possible by The Oakwood Schools Foundation.

YOU enhance excellence in education

WE APPRECIATE YOU!
