

## Provision for Pupils with particular religious, dietary, language or cultural needs

---

THIS POLICY APPLIES TO MILLFIELD.

Millfield is committed to ensuring equality and celebrating diversity in the life of its pupils throughout all aspects of their education and will make all reasonable provision for pupils with particular religious, dietary, language or cultural needs.

The need for such provision should be identified prior to joining the school in discussion with the Admissions Department. This information will then be given to the Housemaster/mistress and Assistant Head (Housing). The Housemaster/mistress will ensure that appropriate staff are informed. Parents should inform the Housemaster/mistress if they have a child at Millfield who has changed requirements.

Where appropriate, information about such needs will be recorded on medical, LSC / EAL lists. The Head of EAL will (with the support of the Deputy Head (Academic) ensure there is the necessary support for those who have English as their second language.

In consultation with the Assistant Head (Housing), Chartwells supply a range of food to suit most needs. The Housemaster/mistress will liaise with Chartwells about pupils with particular dietary needs.

Millfield is committed to nurturing a multi-faith community. The chaplain will ensure there is provision for all the major Christian denominations and other religions.
