COLLEGE INFORMATION

CALLING COLLEGE-BOUND STUDENT-ATHLETES!

Our counseling Department is offering an NCAA Eligibility Center Informational Session that YOU NEED to attend to get a better understanding of the complex process.

- WHEN: Friday, December 13, 2019

- TIME: During Club Time
- WHERE: BHS Library
- FOR WHO: All student athletes
- Sign up in the Naviance College Visit section! See Mr. Dawson with questions.

ALSO... A recent graduate of Texas State's Air Force ROTC program will be in the counseling office on Friday, November 22nd at 9:15am. She will be here to answer questions about the scholarship opportunities offered by the Air Force and how to apply for them. It is set up as a college visit and you can sign up in Naviance. If you might be interested in this program or are in the process of applying to any of the service academies, she would love to speak with you about exploring all of your options. Detachments at universities like the University of Washington, Central Washington, WSU and hundreds of other schools could provide a way to go to your dream school without taking out a nightmare amount of student loans. Sign up in Naviance and we hope to see you there!

ATTENTION SENIORS!!

Are you confused about the entire scholarship process and don't know where to begin? Thankfully, the Bothell High School Counseling Department is here to help. We're offering a Scholarship Information Session that will give you a leg up in the process.

- WHEN: Friday, January 10, 2020
- TIME: During Club Time
- WHERE: BHS Library
- FOR WHO: Seniors
- Sign up in the Naviance College visit Section! See Mr. Dawson with questions.

ASVAB Testing

If you're interested in taking the ASVAB to learn more about your strengths and what opportunities are available to you, please let Mr. Dawson (in counseling) know. The test can also be used to help meet graduation requirements if you haven't passed the SBAC. We are offering the ASVAB after school on November 20th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send your scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.
