A Multi-Department Approach

# Student Safety

Multi-Department Approach to Student Safety

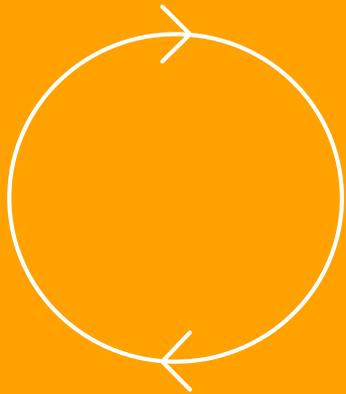

**01** Safe School Plans, Training, Law Enforcement

**02** Structure, Intervention, Recovery

**03** Digital Citizenship, Security In Layers, Data Privacy

**04** Safety Measures In Place and Proposed

# Student & Community Services

# Safe School Plans

01

## Safe School Plan

- Each school turns in a Comprehensive Safe School Plan
- General components include school description, compliance with education code safety requirements, crisis response plan, and goal setting.

02

## Law Enforcement

- Plans are shared with law enforcement, staff, and parents.
- Plans are reviewed by Student and Community Services.

03

## Drilling, training, and advising

- Plans are utilized in conjunction with regular drilling, training, and advising.
- Provides the best chance for a positive outcome in the event of a crisis

04

## Emergency Operations Plan

- OUSD is updating our district emergency plans.
- Communication is essential. District wide radio system for emergency use.

# Training

01

## Law Enforcement Campus Walks

- Student and Community Services, Orange Police, Orange County Sheriffs and OCIAC have walked our campuses with staff looking for ways to improve our overall campus safety.

02

## Site Vulnerabilities Assessments

- Each campus is unique and has different areas of strength and vulnerabilities. There is a plan in place to have all of our schools complete by the end of the year.

03

## Teacher and Staff Crisis Training

- SCS has been offering and training staff in “Run – Hide – Fight” Teachers and staff are trained how to survive a crisis by looking at the mental and tactical side of crisis management.

04

## Continued SCS Training

- Student & Community Services personnel to train with our first responders and threat assessment experts.
- Two School Psychologists working out of the SCS office allows targeted interventions. One dedicated to foster and homeless youth.

## BEHAVIOR SUPPORT ASSISTANTS

- 40 hours of training
- Monthly supervision (group)
- Monthly supervision (Individual)

# MULTI-DEPARTMENTAL COMMUNICATION

STUDENT COMMUNITY SERVICES ↔ PSYCHOLOGICAL SERVICES ↔ STAFF

# EMBEDDED STUDENT SUPPORTS

# Technology Services

# Common Sense Media Digital Citizenship

01 Internet Safety

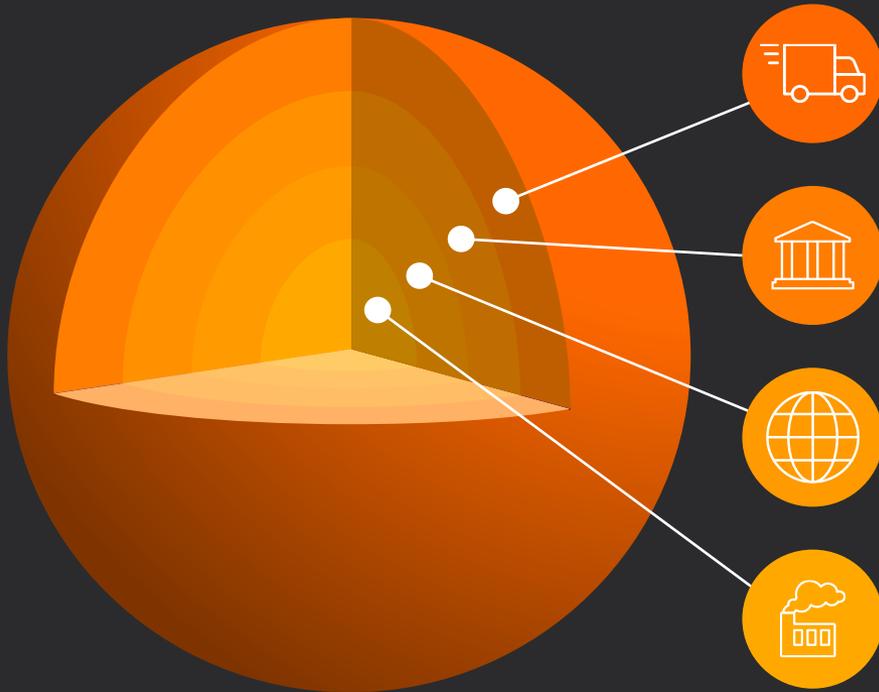

02 Cyberbullying & Digital Drama

03 Privacy & Security

04 Digital Reputation

# Security in Layers

**Content Filtering Everywhere**  
Blocking internet resources and search terms

**Monitoring Search Terms**  
Safety and security related search terms are flagged for site administrator review

**Next Generation Anti-Virus**  
Machine learning based antivirus for users with privileged data access rights

**Single Sign On**  
Reducing the use of easily predicted passwords.  
Enabling a password reset for all systems at once.

# Student Data Privacy

## Technology Services

### Student Data Privacy Alliance

- Modeled after the state of Massachusetts Data Privacy Alliance
- Ensures that vendors comply with state and federal data privacy and ownership regulations
- Eases legal liability of the district

### CIS Top 20 Controls Alignment

- Continuous vulnerability assessment and remediation
- Boundary defense
- Data protection
- Account monitoring and controls
- Data recovery capabilities

### Dell Secureworks

- Monitoring of security events from all district servers and critical network equipment
- Correlates events from multiple sources to bring hacking attempts and cyber attacks to our attention
- 24/7 monitoring of our computing environment

# Facilities

# Safety Measures In Place Today

Facilities, Maintenance and Operations

Fire and Burglar Alarms  
at All OUSD Schools-  
Centrally monitored

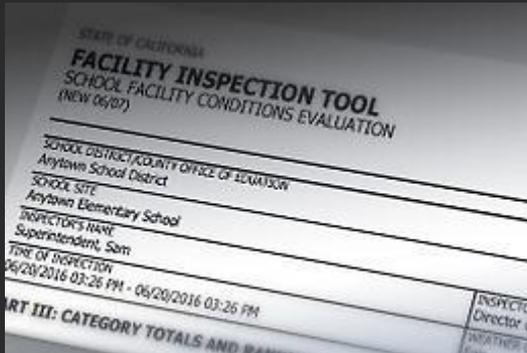

Perimeter and Door  
Locks Checked on a  
Annual Basis

OUSD Security Patrol for  
Nights and Weekends-  
Includes all schools

# Safety Measures In Place Today

Facilities, Maintenance and Operations

FIT and Annual Facilities Assessment Walks for Deferred Maintenance

Upgraded Lighting to LED and Added New Fixtures (2016-17)

Work Order System- Allows for sites to report and track safety issues

# Safety Measures- New or Proposed

Facilities, Maintenance and Operations
