@WilderWaite323 #323Learns #WWRocks

In celebration of Veterans Day, a rep from the local VA joined our morning meeting along with a group of veterans to receive our WW sock and card donation. The veterans then stayed and spoke to the 4th and 5th grades who learned from the experiences of the servicemen and women. We are fortunate to have a variety of guests who had served in World War 11, Vietnam, Iraq, and Desert Storm and also in the National Guard. It was great to hear history come alive through their engaging and informative stories.

**SPOOK UPDATE:** We would like to thank the 150+ volunteers that donated their time for the Spook Spectacular! We were able to raise an amazing \$17,018.00!!! This will allow the PTO to continue to fund classroom initiatives, field trips, school assemblies and continue to add to the nature classroom. Please join us on 11/21/19 for the next PTO meeting at 7:00 P.M. in the community classroom.

**Parents, please note that any medication brought into the office, including cough drops, must have a medical authorization form completed and signed in order for those medications to be administered at school.**

There are three ways  
to ultimate success:

The first is to be  
kind.

The second is to be  
kind.

The third way is to  
be kind

### Physical Education Excuse

A parent/guardian may excuse a student from physical education for up to two days. Any long term physical education excuse must be requested in writing from the student's health care provider, specifying the length of time your child is to be exempted. A written note from the health care provider should be submitted for the student to resume full activities.

Any child who is exempt from physical education for medical reasons will not be allowed to participate in outdoor recess activities. Re-injury on the playground could occur, resulting in prolonging the child's healing and recovery period. Arrangements for indoor recess in the main office or a supervised classroom will be made.

Any child who is exempt from physical education for medical reasons will not be permitted to participate in school sponsored sports.
