

CELEBRATING EXCELLENCE

September 24, 2019

Dear Anissa,

Thank you for your service on NAESP's National Panel of New Principals during the 2018-2019 academic year. We know that the first years as a principal are some of the most important, as well as some of the most challenging. Your responses to the quarterly questionnaires have helped to build a dynamic body knowledge of what it's like to be a new principal today. The *New Principal Connection* brief, with the summary of survey highlights, is gaining recognition and will continue to be a valuable source of information for you, your colleagues, the larger education community, and even policy makers.

Please [click here](#) to download a certificate of recognition for your contributions as a 2018-2019 National Panelist. On behalf of NAESP, I extend my best wishes as you continue in the esteemed role of principal.

Sincerely,

A handwritten signature in blue ink, appearing to read 'E. Franks', with a small flourish at the end.
