

LMK Choral Attire as of the 2019-2020 School Year

The use of the Harrison Central School District's Choral Attire is a privilege extended to students for use at school concerts. The District's Choral Attire is provided to support students in achieving a professional presentation for all public performances in which they are required to participate.

All Choral Attire is the property of the Harrison Central School District, and is provided to students for the entire school year. Choral attire consists of a maroon polo shirt, sized for each student. Prior to the winter concert, Mr. Test will disseminate a polo shirt to each student, who will use the polo shirt for performances as directed. After the spring concert, students will be required to return their polo shirt to Mr. Test. Students are still required to supply their own **black socks/tights, black pants or skirt, and black dress shoes** for school concerts.

With the privilege of utilizing the District-owned Music Attire comes responsibility, and as a condition of use, students and parents must sign this contract and consent form, and agree to and comply with all the following:

- I agree to prevent the risk of theft by never leaving my Choral Attire in an unsupervised area such as the cafeteria, computer lab, locker room, library, unlocked classroom, restroom, hallways, etc.
- I will report problems with my Choral Attire in a timely manner to my music teacher and/or building administration
- I understand that I may not lend the Choral Attire to anyone, including family members and friends
- I understand that I have been issued this Choral Attire for use at all school concerts, and that I am responsible to come dressed in the attire to all performances
- I assume full responsibility for the cost of repairs and/or replacement if the Choral Attire is damaged, lost or stolen in the amount of **\$6.00 per polo shirt**. I understand that I am responsible for replacement cost, and that I may not meet this obligation by providing Choral Attire purchased or obtained elsewhere
