## SPECIAL PRESENTATION:

All (parents, self-advocates, staff, organizations and community members) are welcome and encouraged to attend WCPAC Meetings!

### Pat Carver-Community Drive AND Angela Martin-Developmental Disabilities of Wayne State University

When the focus is on the child with a disability, the *sibling* may be left without information, instruction and support. While unintentional, the lack of attention on the sibling's needs can be extremely detrimental. Pat Carver and Angela Martin are both siblings of people with disabilities and have been involved with the Sibling Leadership Network and will provide information and insight. The mission of the Sibling Leadership Network is to provide siblings of individuals with disabilities the information, support and tools to advocate with their brothers and sisters and to promote the issues important to them and their entire families.
