

MESSAGE FROM GEORGE PAZ, CHAIRMAN, BOARD OF DIRECTORS

As Chairman of the Board of Logos School, I have the incredible honor and privilege of leading an engaged, passionate and committed group of community volunteers who, like I, believe deeply in the mission of Logos. Logos' mission brings hope and assurance to students who need more psychological, emotional and academic support than the traditional classroom offers. This support provides the tools the families of our students need to assist them in their journey. I feel fortunate to serve in this capacity.

My association with Logos began in 1999 and has grown stronger each year. It is always incredible to hear about the transformation of our students as they become more confident and better equipped for life after Logos. I know this doesn't happen easily or overnight!

The strength of Logos lies in the incredible individuals that define Logos. These individuals are the teachers who provide a specialized environment that enables our students to maximize their learning opportunity, the therapists who help our students navigate the daily challenges they face, the parents who work with us to help their children succeed, the administrative team that provides critical functions to ensure Logos provides the highest level of academic and therapeutic programs, and **YOU**, our donors and volunteers, who through your philanthropic generosity have made Logos School a critical solution for the students we serve. Without your gifts, whether in money or time, Logos could not survive – and without Logos the future of our students would be uncertain or worse. **All of us together are Logos!**

Whether you supported the 2017 Gala and Auction, Give STL Day, or one of our special appeals, made meaningful gifts to capital projects or bolstered our endowment, your generosity signals a commitment to future generations of Logos students and their families. On behalf of the Board of Directors, thank you for being a part of this very special community.

Sincerely,

A handwritten signature in blue ink, appearing to read 'George Paz', with a long horizontal flourish extending to the right.

George Paz
Chairman, Board of Directors

“We make a living by what we get. We make a life by what we give.”

– Winston S. Churchill

A COMMITMENT TO GIVING

Logos School gratefully recognizes the generous philanthropy of parents, alumni, faculty, staff and friends who have provided financial support to help preserve the school’s tradition of excellence. Since our founding in 1970, gifts to the school have provided building renovations and improvements, endowed funds, faculty and staff salaries and sustained the school’s strong academic and therapeutic programs. Contributions – and the donors who give them – empower a vital and strong school that propels us toward even greater accomplishments.

We gratefully acknowledge the following donors. This list is based on contributions received between September 1, 2017 and August 31, 2018.
