

Host a French Exchange Student in June 2020

Webb will once again be welcoming a group of 10 students (ages 15-16) and their teacher chaperone from Lyon, France, to middle Tennessee for three weeks next summer (around June 14th-July 5th). These students attend a private school in France with an emphasis on foreign languages, and practicing their English in a home-stay is part of their required coursework--they can travel with you, attend camps with your children, etc.--if you have an extra bed in your home, you can host! Please feel free to contact Mallory Garcia at mgarcia@webbschool.com or 931-224-9938 for more information.
