

# You are Invited to the One School One Story Family Night!

Thursday December 5th

6:30-7:30 Educational Animal Show

Scales & Tales will be bringing 8 exciting animals to help answer the questions - Should you keep a wild animal you find? Why can't a wild animal be a pet? What should you do if you find a wild animal?

Come early (6:15) and/or stay late (till 8:00)

Come early and/or stay late to see how what may seem simple to some, can be very challenging to others. Bat taught us that everyone has different abilities, strengths and challenges. Join us in some hands-on activities that may challenge your abilities as we explore different sensory activities.

*Hosted by the Edison PTA*
