Fund-Raising and Solicitation

Fund-raising shall be authorized under conditions that do not conflict with instructional programs. Fund-raising refers to the raising of non-appropriated funds that supplement, but do not supplant, public funding for the educational benefit of students and the schools.

Fund-raising shall be permitted by students, provided such activities are approved in writing and carefully monitored and regulated by the school Principal or a designee.

Each Principal shall develop and maintain a list of all approved fund-raising activities and report all activities to the Superintendent pursuant to procedures issued by the Superintendent.

Crowdfunding (through sites including, but not limited to, AdoptAClassroom.org, GoFundMe.com, DonorsChoose.org, or IncitED) by employees is not permitted without the express written permission of the Superintendent.

No organization or individual shall solicit funds, sell memberships or articles, or in any other way collect or seek to collect money from the employees of the school system except with the approval of the Superintendent.
