Fundraiser Options:

The council discussed fundraising needs according to the technology that will need replacing in the future. Leslie Zabriskie, STS, put together a breakdown of costs for an iPad lab with the explanation of why updates are necessary. Multiple fundraising ideas were presented from faculty member suggestions and council members. Ideas included a run-a-thon, using the school Passion Groups, finding outside donors, and/or setting a flat rate amount per family. Auction baskets donated by companies, a color run, read-a-thon, and a "Special Someone" dance were also suggested.

Fundraiser Decision:

A vote was held to determine the best fundraising option. Matt Newbold proposed the council vote on holding a fun run. The vote was unanimous, and the Council approved a fun run.
