

## Reach Parent Group Meeting

Notes

Friday, Nov. 15, 2019

---

1. 19 parents in attendance.
  2. **Leslie Webster, D205 Director of Curriculum and REACH Coordinator.** Leslie updated the group on the appeals process of the REACH program and the ongoing REACH review process. The district is still gathering information from students and comparison data from other districts. Upcoming parent meeting Dec. 16 at 7:00 at the D205 office for anyone interested in hearing the initial recommendations from the steering committee and provide feedback. Leslie continued to answer individual questions for the remainder of the meeting. She will continue to share progress and information at future REACH Parent Group meetings.
  3. **Mathletes - 3 of 8 elementary schools:** Gwen Reedy (Edison), Gina Padgett (Jefferson), & Lynnea Brown (Field) - all shared success of program.
  4. **Chairperson, Patti Berner, provided updates** from Thrive205, PTA Council, new Center for Gifted Elmhurst location (see November dates for links), math kits and asked for parents to sign up to help update parent group website content. Reiterated that important information (links) are found on our website.
  5. [SIT, Students In Technology, Conference](#), held in Bensenville on Feb. 22, 2020. Gina Padgett shared details and wondered if any parent had experience with SIT. None were indicated.
