

HHS Music Attire

The use of the Harrison Central School District's Music Attire is a privilege extended to students for concerts both within and outside of school, as needed. The District's Music Attire is provided to support students in achieving a professional presentation for all public performances for which they are required to participate in.

All Music Attire is the property of the Harrison Central School District, and is provided to students for the entire school year. Prior to the winter concert, music teachers will disseminate attire to each student, who will use the attire for performances as directed by the teacher. After the spring concert, students will be required to return their attire to their music teacher in its entirety. Families may use their discretion as to whether or not to get their attire professionally dry cleaned in between performances. All Music Attire will be professionally dry cleaned by the district when returned in the spring for the following school year.

The following components comprise the Music Attire, and students are financially responsible for **each part** of the attire they are given:

Black Tuxedo Jacket	\$56.00
Black Tuxedo Pants	\$25.00
White Tuxedo Button-down Shirt	\$14.00
Black cummerbund	\$7.50
Black Bow Tie	\$3.00

Students who wear the Black Tuxedo will be required to provide their own **black socks and black dress shoes**. Likewise, students who wear the Black Dress will be required to provide their own **black shoes**.

With the privilege of utilizing the District-owned Music Attire comes responsibility, and as a condition of use, students and parents must sign this contract and consent form, and agree to and comply with all the following:

- I understand that I may not lend the Music Attire to anyone, including family members and friends
