

DEVELOPMENT OF ADMINISTRATIVE PROCEDURES

The New Hanover County Board of Education (Board) delegates to the Superintendent the function of specifying the detailed arrangements under which the schools shall be operated. These procedures and detailed arrangements constitute the administrative regulations governing the schools. They must be in every respect consistent with the policies adopted by the Board.

The Board itself formulates and adopts administrative procedures only when required by law, or when the Superintendent recommends Board adoption in light of strong community attitudes or probable staff reaction.
