

## **DONATING TECHNOLOGY EQUIPMENT**

All computer and computer peripheral donations must be approved by the New Hanover County Schools Technology Department before they may be accepted for use in any school within the school system. If one has a donation or potential donation, please email [techdonation@nhcs.net](mailto:techdonation@nhcs.net) with your contact information, the specifications of the computer equipment, and name of the donating organization. All computers donated to the system must meet the New Hanover County Schools posted hardware and software standards. Standards are posted on the Technology website: [https://resources.finalseite.net/images/v1543346216/nhcsk12ncus/jzcgcr6pb8hiwymzdcy1/Standards\\_DonatedComputerHardware.pdf](https://resources.finalseite.net/images/v1543346216/nhcsk12ncus/jzcgcr6pb8hiwymzdcy1/Standards_DonatedComputerHardware.pdf)

Upon written receipt of the equipment to be donated, the New Hanover County Schools Technology Department will review the donated equipment for compliance and notify the receiving school.

The above policy statements have been issued in an attempt to facilitate the receipt of donated computer equipment from corporate and governmental donors. It is intended to promote the valuable computer contributions being made by numerous community partners while also controlling the real costs to the district of licensing and support. Any questions or concerns regarding this Policy should be directed to [techdonation@nhcs.net](mailto:techdonation@nhcs.net).
