Law Enforcement Agencies

A reasonable and cooperative effort shall be maintained between the school administration and law enforcement agencies. Law enforcement officials may be summoned in order to conduct an investigation of alleged criminal conduct on the school premises, or during a school-sponsored activity, or to assist in controlling disturbances to the educational environment. They also may be summoned for the purpose of maintaining or restoring order when the presence of such officers is necessary to prevent injury to persons or property. Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary within their respective jurisdictions.

At all times the school system's administrators shall act in a manner which protects and guarantees the rights of students and parents and upholds the law.
