

THE YELLOW TEAM

CULTURAL INTEGRATION

WHAT IS CULTURAL INTEGRATION?

The Blending

The blending of two or more different cultures that happens without one of the cultures sacrificing the characteristics that make it unique.

The Exchanges

The exchanges include a culture's popular beliefs, rituals and practices.

Our interpretations on the subject?

We all come from different places, we live in cross cultural communities, and we are all part of global society, which has unlocked different perspectives on the integration of cultures in our everyday lives.
